

INDOOR AIRHALL BOOKING RULES 2023-2024

1. Members may play a maximum of 3 x 'Peak' hour slots per week – as well as a maximum of 3 x 'Off-Peak' hours. Usage is reset each Monday.

Q: Why can I only play 3 x 'Peak' hours per week?

A: In the interest of our fair use policy to ensure that all members have access to this popular indoor facility. It is important that the policy is simple and easy to remember, calculate and enforce. You can, however, play a **further 3 times Off-Peak** or unlimited play on available outdoor courts

2. PEAK HOURS:

Monday, Tuesday, Wednesday, Thursday: 9am - 9pm

Friday: 9am - 8pm

Saturday, Sunday: 9am - 6pm

3. Courts will generally be released for booking on the hour, 7 days in advance.

Q: Why are courts only released 7 days in advance?

A: So that all paid-up members will be in with a fair chance of booking the courts at same time

4. All courts must be booked in advance. When booking courts online or in the lobby, all playing members' names must be included in the booking.

Q: Why do all names have to be included?

A: All names have to be included in the booking, so that the club can know who is on court, which is important for planning and communicating the 3 peak hour rule

Q: What if my opponent cannot make our slot and I need to change my listed players?

A: It is the responsibility of the booker to ensure that all players who play in that time slot are listed correctly.

Q: What if I need a last-minute sub for an opponent?

A: To ensure fair use of the bubble, people who are asked to sub will not go over their 3rd peak hour in the bubble.

5. Members must use GPS check-in on the website or system on-site in the club lobby to check-in and confirm court usage. This can be done within 30 minutes before or 1 hour 30 minutes after. Any of the named players can check-in.

Q: Why do members need to check-in?

A: Members need to check-in when they arrive in order to show their fellow members that the court is being used at that time and is not bookable. Not signing-in may cause a 'no show' or 'cancellation' flag on your account, 3 of which will mean an infringement (see below)

6. The Tennis Committee may reserve the courts for specific events from time to time e.g. Club Championship Finals, Interclub League matches.

Q: Why would the Tennis Committee reserve courts for specific events?

A: If the weather is unplayable outdoors, championship match finals may have to be played indoors. Likewise, if outdoor courts are unplayable, League matches may have to be played indoors. This will be monitored closely and every effort will be made to play outdoors.

7. Coaches will appear on the booking system as “Coach Jane Smith”

Q: Why do coaches names need to appear on the booking system?

A: To provide transparency to members

8. Members are not permitted to reserve a court in advance to play with a guest during peak hours, unless previously approved by Tennis Committee

Q: Why can't I bring a guest to play indoors?

A: Indoor courts are for the use of members only

9. Indoor courts cannot be booked for single player practice during peak times.

Q: Can I bring a bucket of balls or a ball machine indoors and practice on my own?

A: Yes, during **Off-Peak hours** to remain consistent with our fair use policy

10. A member cannot play in two consecutive time slots on indoor tennis courts during peak hours, even if the time slots are booked by another member or an opponent in singles or separate players from a doubles' partnership.

Q: Can I play for two consecutive hours Off-Peak?

A: Yes, this is part of our fair use policy to ensure this resource is used as frequently and fairly as possible

11. Failure to cancel an indoor court booking within 48 hours of the time slot will lead to forfeiture of court booking fee unless the slot is re-booked by another member.

Q: Why do I lose my money if I've cancelled my slot?

A: As the Airhall is in high demand, the court will almost certainly be rebooked, if, however, it's not rebooked, the booking fee will be lost – in the interest of fairness to members

12. It is not permitted for members to book a court under any other members name, (for example, parents should not book a court under their child's name if they intend to use the court themselves or under their name if the court is to be used by their child).

Q: Why can't I book a court under someone else's name if I intend to use it myself?

A: This is part of the clubs' fair use policy and is In the interest of transparency for all staff and members.
